Cubbies Parents,

Our PJ Night was a great success. I'm not sure what you fed the Cubbies before bringing them that night but they were wound up and seemed to have a lot of fun. As you can see in the schedule our next 'wild' night is 'Crazy Hair Night' on February 22nd.

I am sure you have noticed that the 5 minutes at drop off and at pick up from Cubbies is crowded and very active. Due to this I am adding a 'Pick up initials' column on the Cubbies weekly room roster. You will easily find this column on the far right side of the weekly roster. (No, we have not had any issues and don't foresee any.) However, I don't believe we are doing enough to close out the weekly roster when you, or someone else, picks your child up from Cubbies. Because we do not have an electronic check in like we do on the weekend, I believe it is important for the leaders to know who is picking your child up as well as initials by that person at pick up. Please be sure to make everyone dropping off and picking up a child aware of this. Drop off won't change so please continue to note on the sign in sheet who will be picking up your child and a contact number for the evening.

Please remember Cubbies drop off is 6:15-6:20 and pick up is promptly at 8:00.

Let me know if you have any questions or comments. I can typically be found under the Tree at the entrance to Cubbies or send me an email.

Encouragement

Wow! We are well over halfway through the Awana year. As we close in on the home stretch of the we want it to be full of encouragement, so we can all finish the year strong.

Parents, encourage your child to continue to work hard at "hiding God's Word in their hearts." Tell them you are proud of them.

Take some time to encourage the volunteers as they continue to work with and care for you child each week. What a blessing!

I also, want to be an encouragement to you. Well done for taking the time to invest in your child's spiritual formation. Keep it up!
